Resume Building Session

Key Points 🔑

ATS (Application Tracking System)

Lots of resumes are rejected for online jobs just because ATS can't extract the information it needs due to design.

Avoid: graphics, icons, tables

Professional + Competent

ATS - compliant

large scale

① Keywords

ML, DL, sch; Pytorch
SVM, Decision, Numpy
Pandas

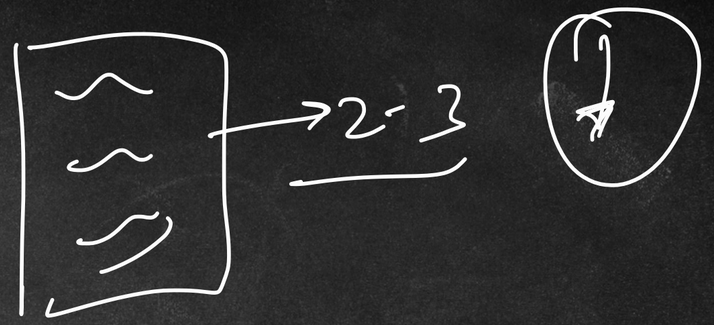
② fancy elements X
unnecessary

③ customize

DA
- PowerBI
- Tableau
- Excel

DS/AI eng.

Where to make Resume?



Google docs

Microsoft word

Canva

Overleaf

Novaresume

Resume.com .....

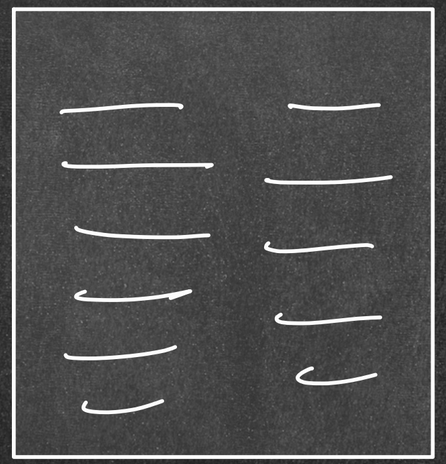
Layout

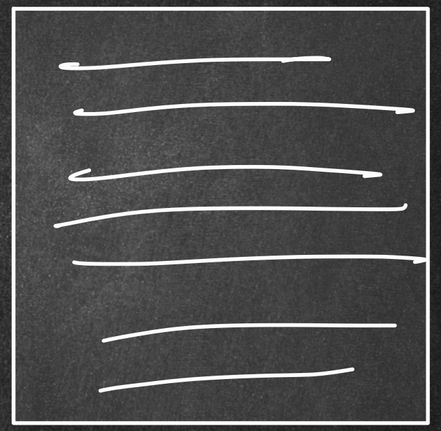
Impressive

Single page

section wise (row & column)

use bullet points





Font

simple & readable (Calibri, Arial, Georgia etc.)

max 2

black/blue

Content

You don't need to include your photo, DOB, marital status & other personal info → address ✗

Name, Contact Info, Relevant Links on Top

1. email → professional / create personal title
2. phone

Divide into Sections

- Skills
- Education/ Academics
- Projects
- Experience
- Achievements
- POR/ Hobbies

(Position of Responsibility)

1. LinkedIn Profile
2. Github
3. Kaggle

Skills → Tech related skills

Programming - Python, SQL ..., Javascript

NumPy, Pandas, Matplotlib, Scikit-learn, PyTorch

Git & Github, Docker

NLP / CV / GenAI

AI engg
DataScience

Leadership
Hard working X
Disciplined X
communication

Genuine Skills that you can talk about

Education

College | Degree/ Branch | Graduation Year | CGPA or %age

School Name | Year | Marks - 12th

School Name | Year | Marks - 10th

Extra - JEE Rank, University Rank

Department

Projects + Work Experience
is your most important Section

class ANN

RNN

Students/ Fresher

Education

Experience

Projects

*conditions apply

Impressive

Professionals

Experience

Projects

Education

Projects

User segmentation

Title (descriptive) SmartCart - User Segmentation

— ML

Description (bullets)

- scratch impl
-
- Technologies: Python scikit-learn, Numpy, Pandas PyTorch

Technologies

Include Links

Streamlit

atleast 3 projects

major projects

Experience

Designation

Company, Place

Date

What you did? + Impact you created

Technologies

Hackathons (4-5)

Research (3-4)

OS

Fresher: Internship / Freelance work / OS contributions / Kaggle competitions / Research work / Publish / Hackathons

Achievements

(Tech related achievements >> non-tech)

Contest Rank

Hackathon/ Competitions

Publication

Award/ prize

Certifications (optional)

Finish

Export as pdf (.docx, ...) X

Don't give weird names finalversion.pdf

Always PrO3f read what you send

Shradhalchapra.pdf

Shradha_Resume.pdf

hobbies

- playing cricket
- watching TV/movies/shows
- listening to music
